

May Needs List

“That is one good thing about this world--There are always to be more springs.” L.M. Montgomery. Many of our clients feel hopeless when they arrive at CARES. Yet, hope grows as they see how generous our community is in helping provide their needs. Thank you for helping our clients move forward with hope. If you want to donate any of these items, feel free to drop them off at the Resource Center from 9 am to 7 pm; 7 days a week, or click the Amazon QR Code and have them shipped directly to us. Thanks.
